Tension knob

How To Use

- Connect the included cable with power control unit to the sex machine. Insert the plug into the socket to activate the toy
- Rotate the power control to turn on/off.
- The slow intermittent glow indicates that the sex machine is active.
- Adjust the power control to increase/reduce thrusting intensity.

Power switch

Cleaning and Care

- Remove the attachment for thorough cleaning.
- Do not wash the dildo while it is attached to the sex machine, so as not to damage metallic details.
- Do not wash the dildo on the sex machine when the power is on.
- Use a toy cleaner/mild soap with water to clean the dildo before and after each use.
- Pat with a towel and allow it to air-dry completely.
- Dust lightly with talc or cornstarch for better use.
- Store away from heat and sunlight.
- Do not get water inside the machine as it is not waterproof.
- Wipe it down with the wet cloth/ tissue and dry it out completely.
- Attach the dildo to finish the assembly.
- Use with the water-based lube only, no silicone lubricants.
- Store attachment away from other toys to avoid chemical reactions and damage to either toy.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
