Cleaning and Care

- Remove the attachment for thorough cleaning.
- Do not wash the dildo while it is attached to the sex machine to avoid damaging metallic details.
- Do not wash the dildo on the sex machine when it's plugged into the socket.
- Use a toy cleaner/mild soap with water to clean the dildo before and after each use.
- Pat with a towel and allow it to air-dry completely.
- Dust lightly with talc or cornstarch to make it last.
- Store away from heat and sunlight.
- Do not get water inside the machine as it is not waterproof. Wipe it down with the wet cloth/tissue and dry it out completely.
- Attach the dildo back to finish the assembly.
- Use with water-based lube only; silicone lubricants are not compatible.
- Store attachment separately from other toys to avoid chemical reactions and damage to either toy.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
