## Cleaning and Care

---

- Remove the cap.
- Turn the inner cup counterclockwise and remove it from the case.
- Take the sleeve out from the inner cup.

- Carefully remove the corded bullet from the sleeve.
- Use a toy cleaner/mild soap with water to clean the sleeve before and after each use.

- Pat the sleeve with a towel and allow it to air-dry completely.
- Dust lightly with talc or cornstarch for better use. Store away from heat and sunlight.
- Wipe it down with a wet cloth/tissue and dry it out completely before inserting the sleeve.
- Insert the bullet into the hole at the bottom of the sleeve.
- Insert the sleeve into the inner cup and press the sleeve to secure it in place.

- Insert the inner cup into the case and turn it clockwise to finish the assembly.

- The hole on the case is used for suction and air release, please do not cover this hole during the use.
- Make sure the rubber sealing ring on the bottom of the inner cup stays in place before/after cleaning, otherwise it will cause malfunction.

- Store away from other toys to avoid chemical reactions and damage to either toy.

## Warning

---

- Do not use on inflamed and/or injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes and/or use that has an adverse effect on any function of the body is prohibited.
