pleasure console

# F 1 S <sup>TM</sup> V 2

## pleasure console

Are you ready for version two? We're back to offer men the best orgasm of their life. LELO is proud to announce the arrival of its newest men's pleasure product – F1S<sup>TM</sup> V2! It comes with a wide range of improvements that will drive your performance to the next level. With two powerful motors and an added soft, flexible sleeve, F1S<sup>TM</sup> V2 is designed for deep and thorough stimulation leading to an unforgettable experience for those who dare to try it. Our award-winning pleasure console is the leader on a booming male-oriented market as more and more men discover the benefits of device-based orgasm.

### WHAT IS F1S<sup>TM</sup> V2?

F1S<sup>TM</sup> V2 is the next generation of the ultimate pleasure toy, a penis sleeve created for the thrill-seekers who want to explore optimal satisfaction. F1S<sup>TM</sup> V2 has double the strength, four uniquely designed program variations, and a softer, more flexible sleeve for a wide range of shapes and sizes. The toy has ten highly sensitive sensors allowing for performance feedback through the LELO app, allowing you to build the most pleasurable set of programs for your ultimate orgasm.

### REASONS WHY THE CUSTOMERS WILL LOVE IT

#### 1 - SENSONIC<sup>TM</sup> TECHNOLOGY

The sensation of sonic waves and patented Cruise Control<sup>TM</sup> technology make F1S<sup>TM</sup> V2 the ultimate act of self-love.

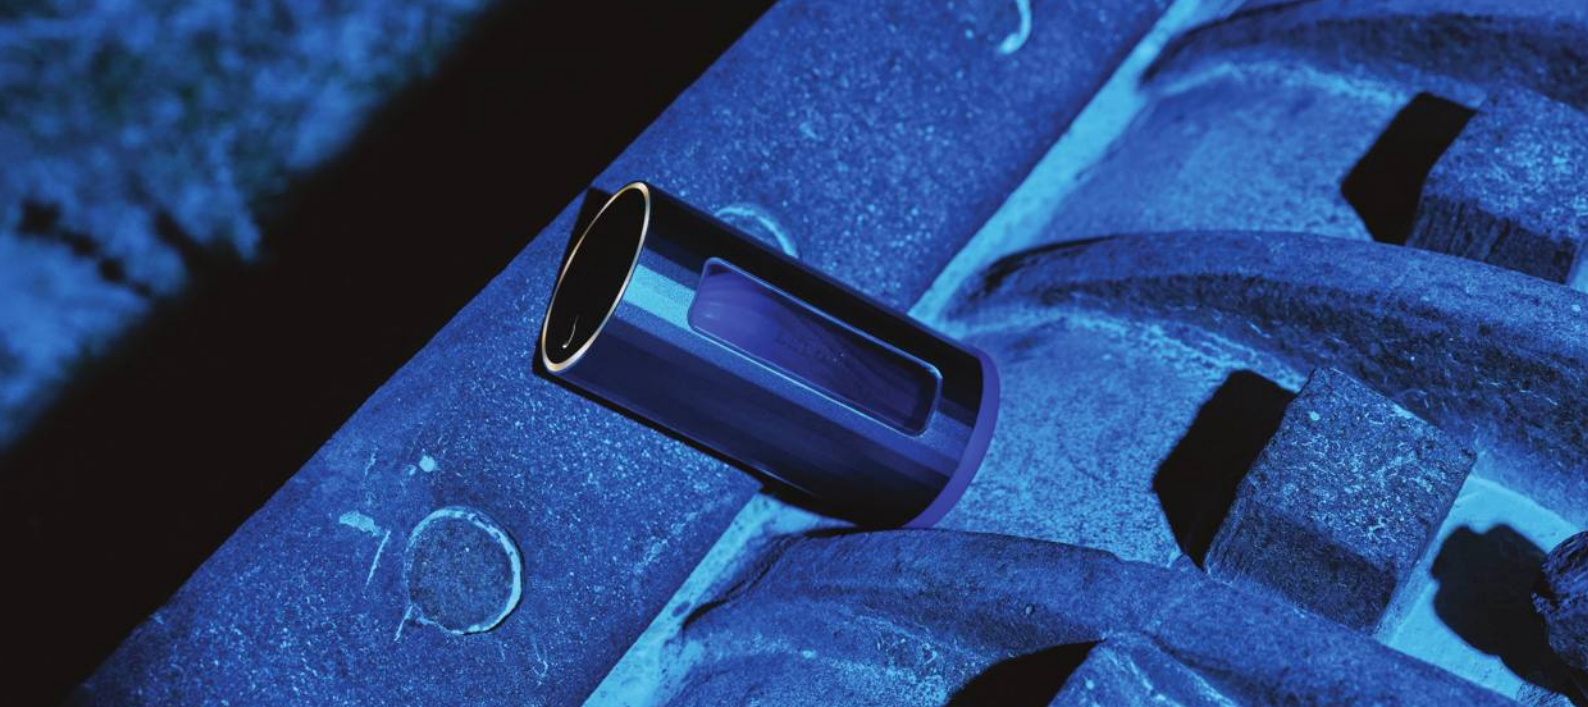

#### 2 - PLIABLE SURFACE AREA FOR DEEP PLEASURE

Softer and more flexible sleeve for complete comfort.

#### 3 - FOUR CUSTOMIZABLE PROGRAMS

Two motors that stimulate, with four specifically designed modes that contain seven patterns each.

## PRODUCT DESCRIPTION

The enhanced m-cup design of F1S™ V2 allows you to explore the inner workings of your pleasure, with a pliable sleeve and a wider range of sonic intensities. This open-interface sextech is equipped with 10 state-of-the-art sensors for real-time performance feedback through the LELO app - but what you do with that data is entirely up to you. Download the iOS or Android SDK to build your own cybersexy apps, sync with the interactive world, and let your imagination drive you wild.

- Smart male trainer wirelessly connects to the interactive world
- SenSonic™ technology and ultra-powerful vibrations for exhilarating pleasure
- Cruise Control™ maintains consistent intensity throughout play
- 100% waterproof & usb-rechargeable for portable use
- 1 year warranty & 10 year quality guarantee

## BRAND NEW CUSTOMIZABLE APP!

Customize your experience with our new app! Use mode creator to experiment with four different programs and seven patterns to build your dream pleasure console that will transform the way you reach climax.

## WHAT'S THE DIFFERENCE BETWEEN F1S™ DEVELOPER'S KIT RED AND VERSION V2?

F1S™ V2 has been refined to offer extra power compared with the previous F1S™. As well as having a wider range of intensities F1S™ V2 has been enhanced with a pliable sleeve to provide more flexibility and unlimited comfort. In addition, we have redesigned the interior mechanism to distribute the power of the vibrations throughout the sleeve, creating a whole new sensation that will get customers asking for more, again and again.
