

Mr. Clean Shower Enema Set

PRODUCT MANUAL

**5" long / 0,8" wide
thick nozzle**

**3.5" long / 0.3" wide
thin nozzle**

5" long metal hose

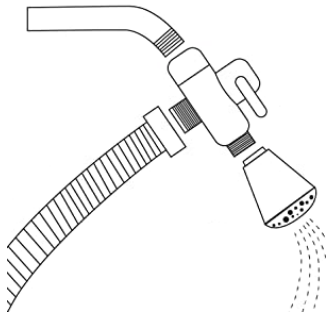

**Made from stainless
steel and ABS plastic**

Set includes

- A metal hose, a thin nozzle, a thick nozzle, an adapter for water flow regulation, an adapter for the enema bag, 2 hose caps and a rubber washer.

How to use

- Remove the shower head, screw in the water flow adapter, and reattach the shower head to the adapter.
- Remove the shower hose caps. Screw the enema hose to the open outlet on the water flow adapter.

- Choose between the 5" or 3.5" nozzle, depending on the spray pattern you prefer. Attach the nozzle to the enema hose.
- Change the direction of the water flow between the enema hose and the shower head using the twist knob at the water flow regulating adapter. The shower knob also regulates the force of water through the hose.
- Keep the enema hose attached or unscrew it to store it discreetly.
- All parts of the enema are compatible with most standard shower systems.

Cleaning and Care

- Use a toy cleaner/mild soap with water to clean the nozzles before and after each use.
- Pat with a towel and allow it to air-dry completely.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
