

**Real-feel
double ender**

PRODUCT MANUAL

Two realistic openings

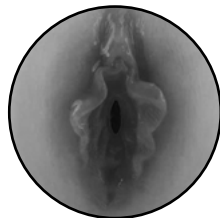

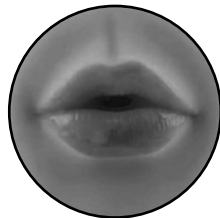

3D textured tunnel

**Removable sleeve for
easy cleaning**

**Made from skin-like
TPE material and ABS
plastic**

Power

- Take the cap off to begin play.
- Switch between the desirable openings.

Cleaning and Care

- Remove the caps and the red rings from both ends.

- Take the sleeve out of the plastic case for thorough cleaning.

- Use a toy cleaner/mild soap with water to clean the sleeve before and after each use.
- Pat the sleeve with a towel and allow it to air-dry completely.
- Wipe it down with the wet cloth/tissue and dry it out completely before inserting the sleeve.
- Insert the sleeve into the plastic case and place the red rings to finish the assembly.

- Dust lightly with the corn starch for better use.
- Store away from heat and sunlight.
- Use with the water-based lube only, no silicone lubricants.

Warning

- Do not use on inflamed and/or injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes and/or use that has an adverse effect on any function of the body is prohibited.
