Cleaning and Care

- Remove the cap.
- Unscrew the upper part with the realistic opening, open the outer lid, and take the sleeve out of the plastic case for thorough cleaning.
- Use a toy cleaner/mild soap with water to clean the sleeve before and after each use.

Cleaning and Care

- Pat with a towel and allow it to air-dry completely.
- Dust lightly with the corn starch for better use.
- Store away from heat and sunlight.
- Do not get water inside the case as it is not waterproof. Wipe it down with the wet cloth/tissue and dry it out completely before inserting the sleeve.
- Insert the sleeve inside the case to install it, close the outer lid, and screw the upper part with the realistic opening clockwise to finish the assembly.
- Use with the water-based lube only, no silicone lubricants.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
