---

- For maximum pleasure charge before every use.
- Connect the included USB cable and insert the USB end into the wall adaptor or computer USB port (Computer must be turned on).
- The slow intermittent glow indicates charging in progress.
- A full charge takes up to 3 hours for 1 hour of play.
- Do not use the device while charging.

USB charging port

## How To Use

---

### Without remote control

- Hold the  button on the base of the toy to enter the standby mode.
- Press it quickly to cycle through 7 massage & inflation modes.
- The toy will be back to standby mode after you cycle all 7 modes.
- In any mode, press the button 2 times to deflate the shaft twice the size. Press the button again 2 times to completely deflate the shaft, the product will still vibrate.
- Hold the button to deflate completely and turn the toy off.

### With the remote control

- Hold the  button on the base of the toy to enter the standby mode.
- Press the  button on the remote to cycle through 7 massage & inflation modes.
- The toy will be back to standby mode after you cycle all 7 modes.
- Hold the  button to inflate the toy to its maximum size.

- Once you release the button, it will stop inflating automatically.
- In any mode, press the  button to deflate the shaft to a smaller size. Press the button again to completely deflate the shaft, the product will still vibrate.
- Hold the  button on the remote to return to standby mode.
- If the toy is not used within 5 minutes, it will be turned off
