Cleaning and Care

- Remove the cap.

- Grab and softly pull the sleeve out of the inner tunnel.

- Carefully pull the sleeve off the bullet vibrator that's attached to the bottom of the inner tunnel.
- Use a toy cleaner/mild soap with water to clean the sleeve before and after each use.

- Dust lightly with talc or cornstarch to preserve the material. Put away from heat and direct sunlight.
- Wipe the sleeve down with a wet cloth/tissue and dry it out completely before inserting back.

- Insert the sleeve back into the tunnel - please make sure the opening on the bottom of the sleeve aligns and goes over the bullet vibrator.
- Push the sleeve to secure it in place.
- Keep water out of the case and inner tunnel - those are not waterproof.
- Use with the water-based lube only, no silicone lubricants.
- Store away from other toys to avoid chemical reactions and damage to either toy.

Warning

- Do not use on inflamed and injured areas.
- Discontinue use if feeling pain or discomfort.
- Adult novelty only. Use for medical purposes or for a use that has an adverse effect on any function of the body is prohibited.
